

# Innovative Precious Metal Cancer Therapy

**Peter J. Sadler**

THE UNIVERSITY OF  
**WARWICK**

Science Capital  
"Innovative Healthcare:  
from Mechanisms to Medicine"  
Wed 25 September 2013

# Innovative Precious Metal Cancer Therapy

**Platinum** photo-chemotherapy:  
→ Oesophageal cancer

**Organo-Osmium** chemotherapy:  
→ Colorectal cancer

**Organo-Iridium** chemotherapy:  
Promising .....

# Warwick patents

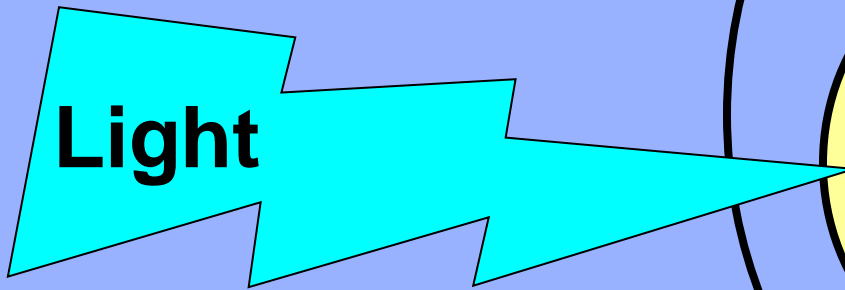

**Platinum:** photoactivated chemotherapy  
PCT/GB2002/003939, 24 Aug 2001  
GB1215498.5, 31 Aug 2012

Organometallic anticancer compounds

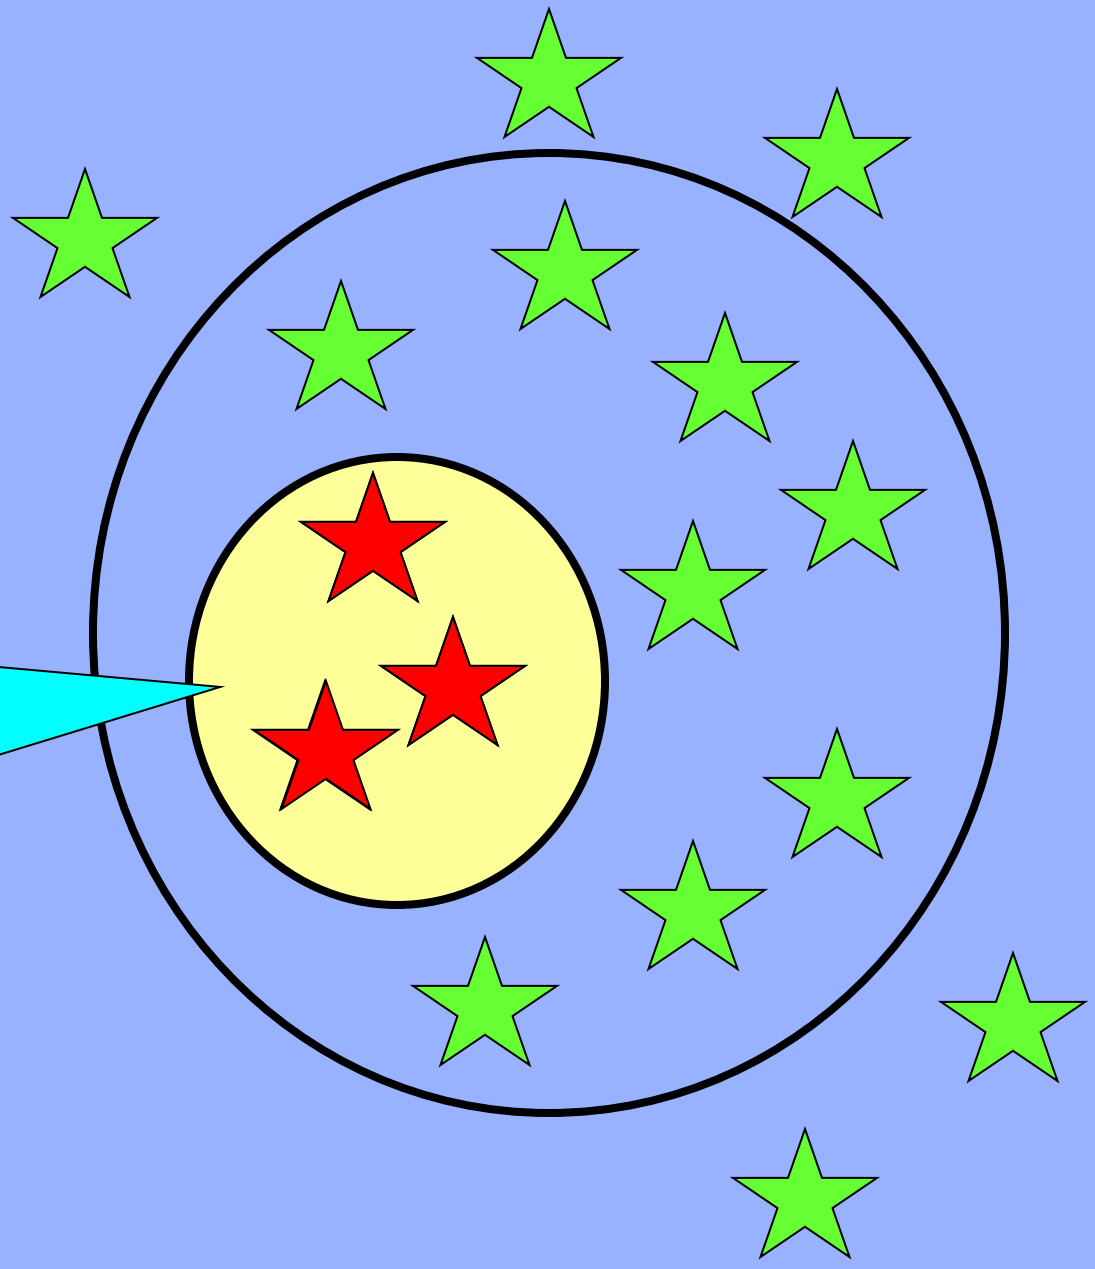

**Osmium:** GB1006762.7, 22 April 2010

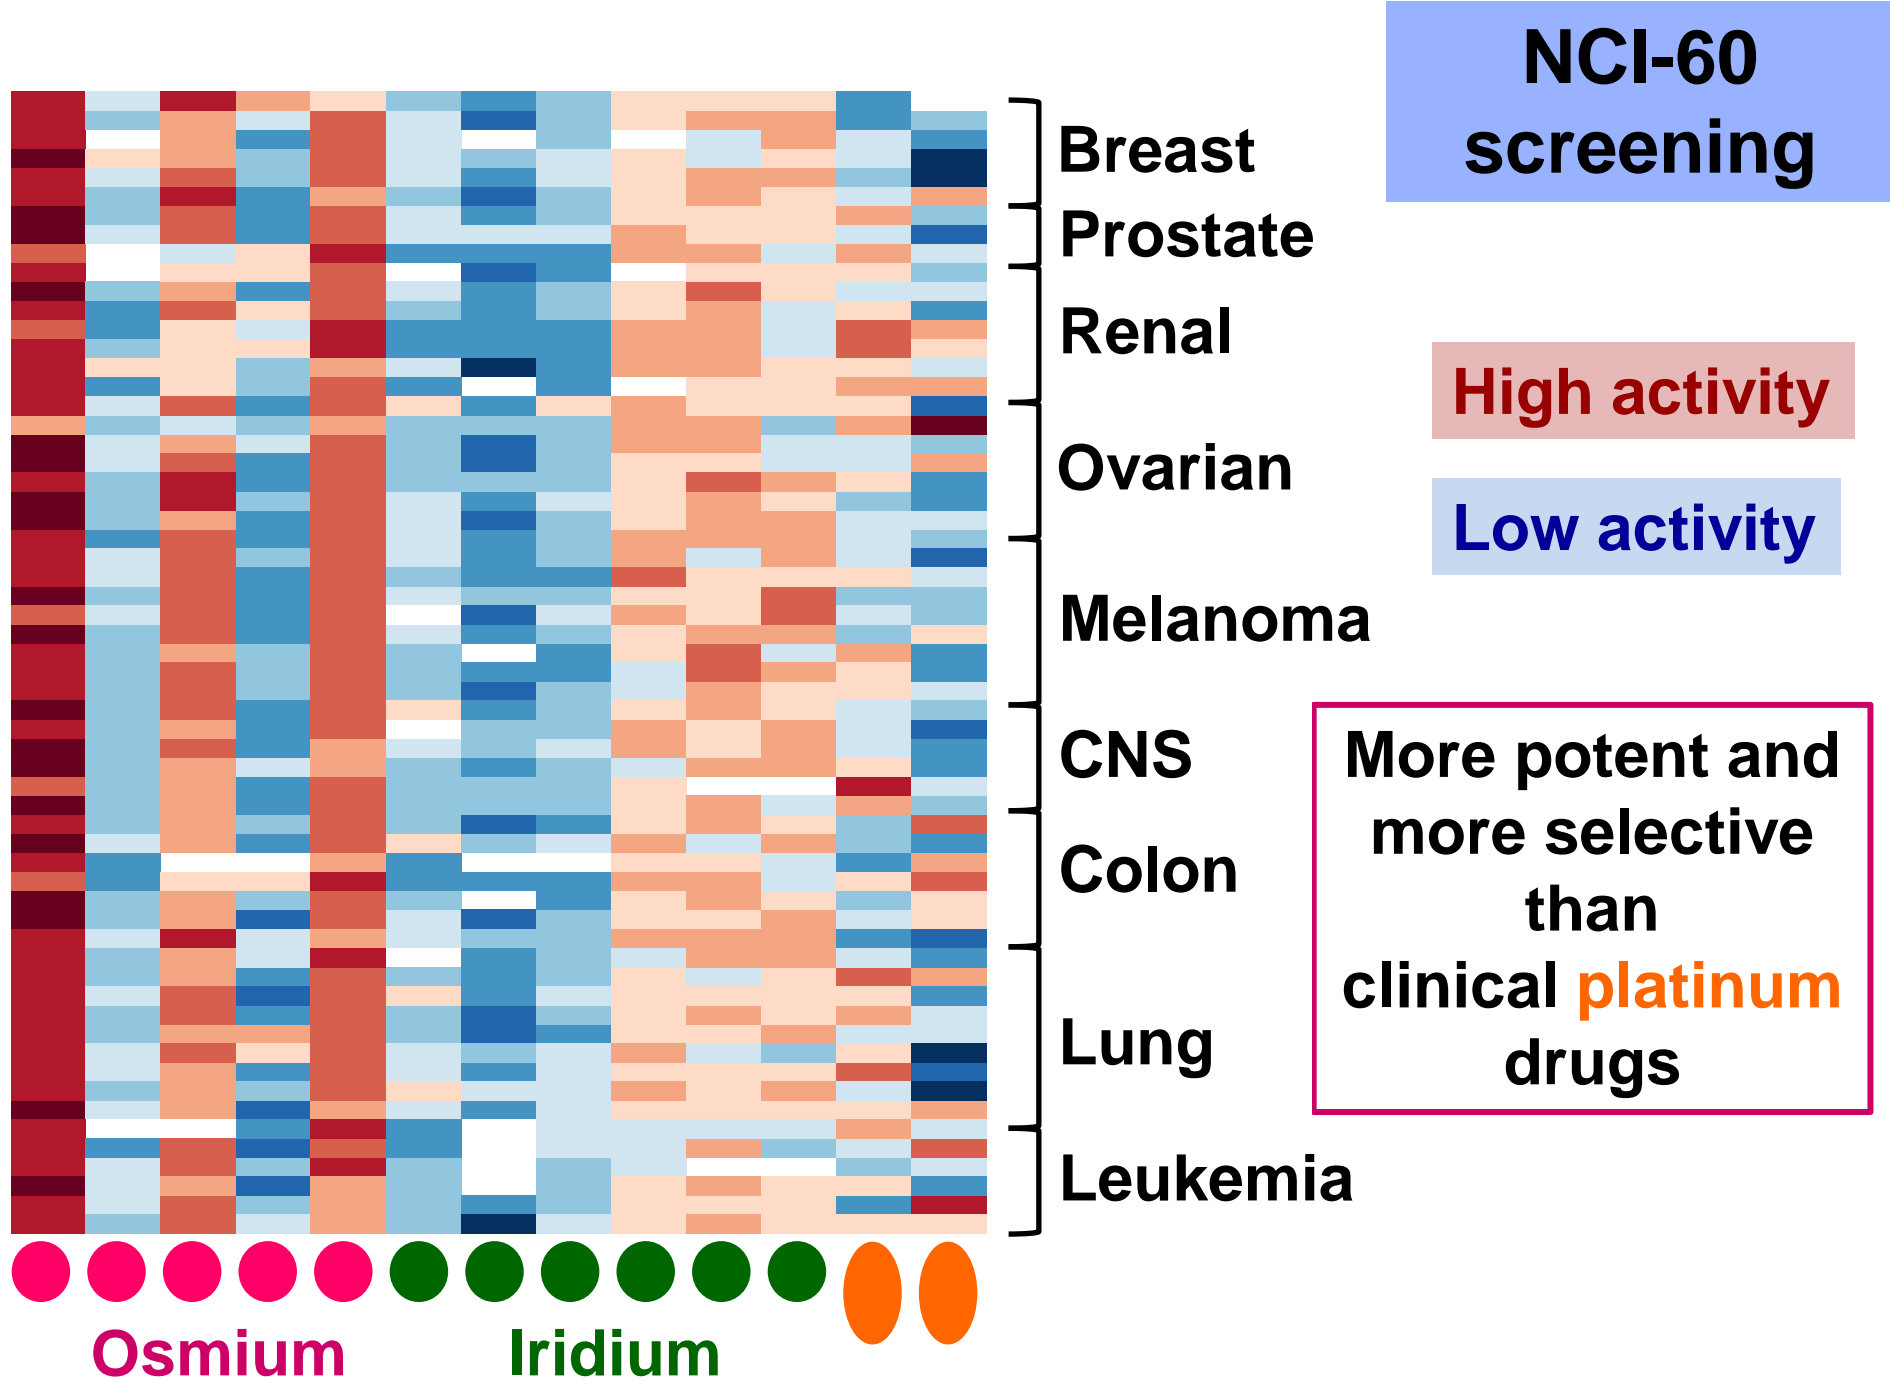

**Iridium:** GB1008584.3, 22 May 2010

**Photo-activated  
chemotherapy**

**Active drug**

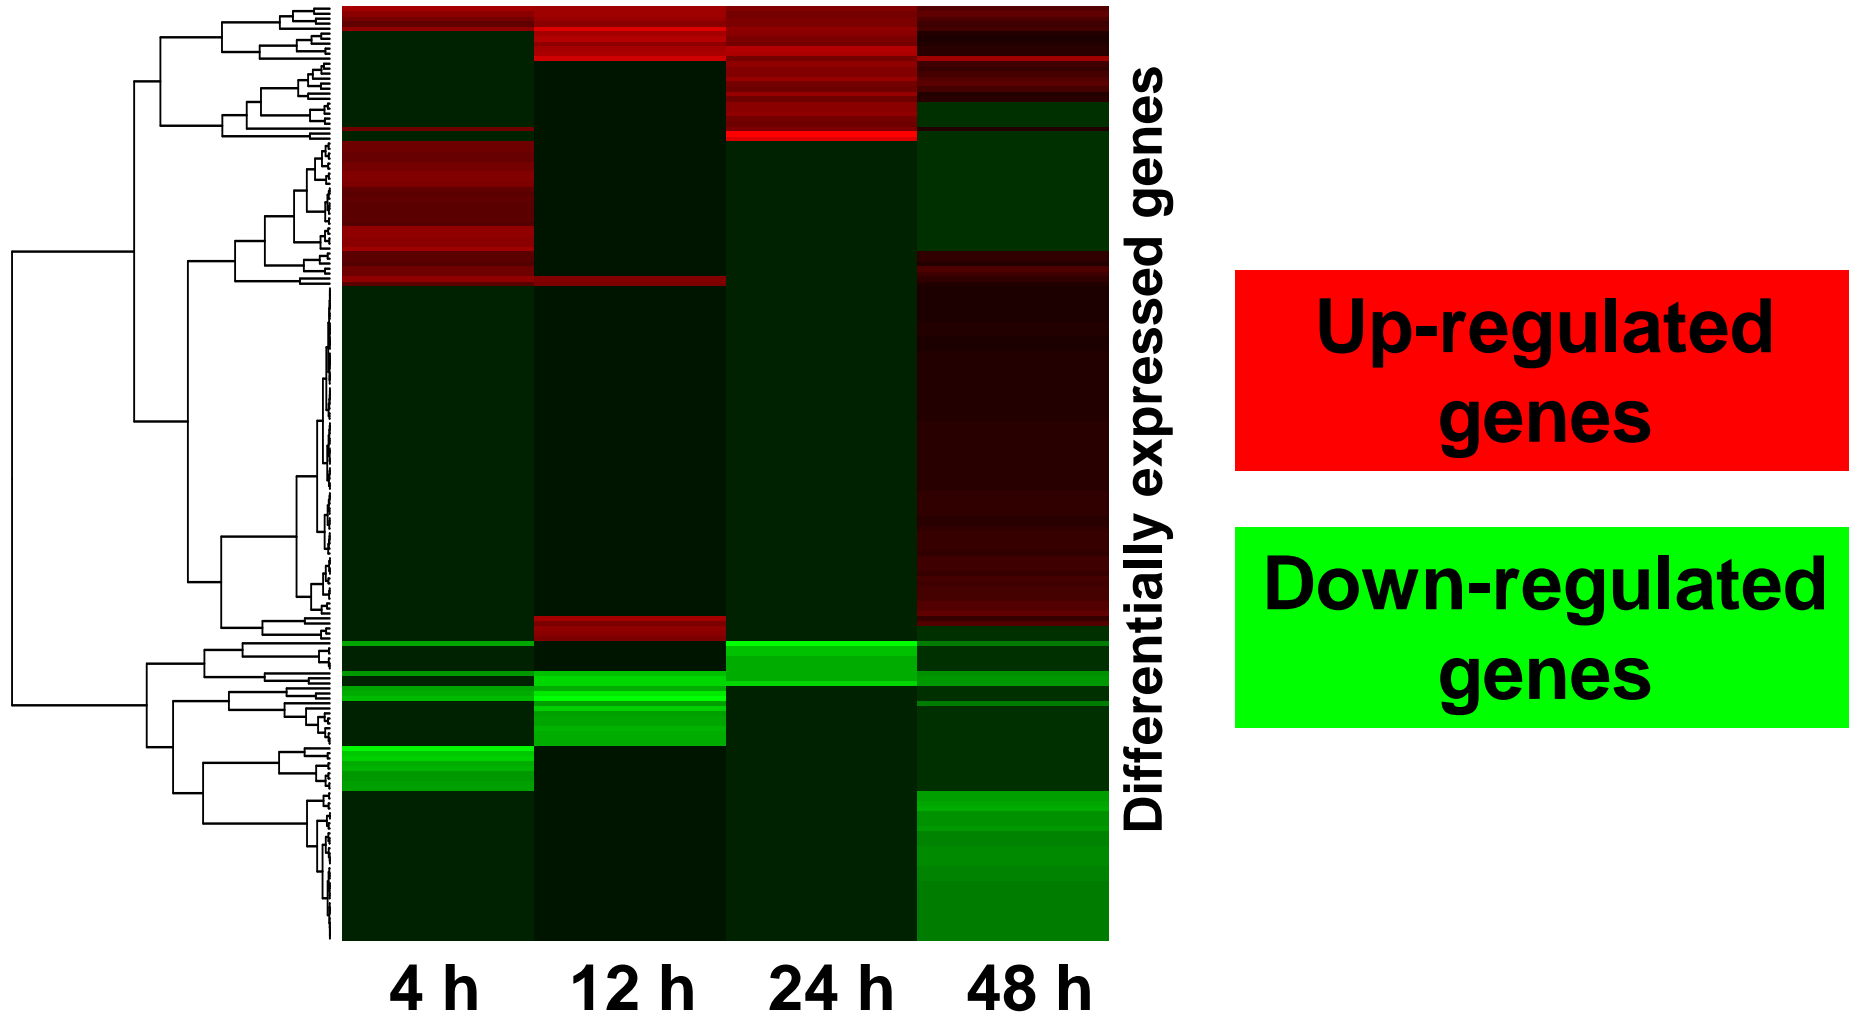

# Cellular Mechanisms of Action

- **Genomics**
- **Transcriptomics**
- **Proteomics**

# Transcriptomics

## Differential gene expression

**Dynamic response over 48 h exposure**

# Prospective: Novel mechanisms of action

**Platinum** photo-chemotherapy:

- Oesophageal, bladder cancer
- Targeted therapy

**Organo-Osmium** chemotherapy:

- Ovarian cancer
- **Pt** - Resistant ovarian cancers
- p53-mutated colorectal cancers

**Organo-Iridium** chemotherapy:

- Triple-negative breast cancer?
